

## **Environmental Management Policy Statement**

RS Complete Solutions Ltd recognises the effect our working practices can have on the environment and that we have an important duty to minimise, if not eliminate, any negative impacts that result.

This will be achieved by:

- Committing to meet all Environmental practices set out in ISO 14001 as a minimum, throughout all of our operations.
- Liaising with the Environment Agency and other relevant organisations.
- Using electric vehicles for all transport where possible. If not suitable, diesel vehicles will be hired and emissions will be calculated and offset.
- Eliminating the use of harmful chemicals wherever possible, utilising greener alternatives and following COSHH regulations during storage, transport and usage. RS Complete Solutions commit to working with client to put adequate and appropriate containment systems in place where there is a risk of contamination.
- Disposing of any waste responsibly, using a specialist such as a member company of waste care group.
- Minimising waste both in materials and packaging through responsible sourcing and use of local suppliers where appropriate, in addition to re-using and recycling.
- Operating a paper free office where possible and utilising modern online platforms to conduct planning for works to reduce environmental impacts and use of water and energy.
- Monitoring and minimising excessive noise, heat and vibration generated by our activities and consult local authorities and organisations regarding works undertaken.

RS Complete Solutions Ltd recognise that as a business we may be required to use materials or engage in activities that have the potential to harm the environment. We are committed to eliminating our impacts beyond the legal and regulatory requirements, and to continually assess our working practices and improve performance where possible. It's our business mission to closely monitor our environmental performance, reviewing on a regular basis (after every project and annually) communicating our policy to all employees, contractors, suppliers and customers.

RS Complete Solutions Ltd are committed to ensuring that adequate resources are available to achieve these aims competently and safely and promote an environment of continual improvement, always striving to do better.
